

Weston Show Newsletter

August 2023

Well, what can we say! CONGRATULATIONS to everyone on a splendid and exciting school show. From the Gold Coins to Fireworks, Genies to Princess's Friends, and everyone in between, you all worked so hard and the result was simply magnificent. And, don't just take our word for it. Here are some of your comments:

Wow....the best show yet! We all loved it from start to finish, my husband and I, the girls' Grandparents and their friends! And most importantly 'The Girls!' enjoyed every single minute of it; the rehearsals, prep backstage and, of course, performing and also watching the show.

So anyway, a huge thank you to you and everyone else involved. The girls and I consider ourselves very lucky to be part of the Weston school and they are extremely lucky to have you as their teacher.

We are already excited about the next show! Meanwhile, enjoy the summer and we look forward to seeing you in September.

With Love
LD

May I extend my congratulations to you, Miss Jo, Miss Ruth and all the staff and helpers who made the show so amazing, as well as the performers of course.

It was amazing and I as well as my family and friends who attended really enjoyed it.

I do appreciate what a huge amount of effort goes into the planning and the rehearsing all through the summer term so very well done to everyone.

Kind regards
KM

I just wanted to thank you and all the teachers at The Weston School for such a fantastic show. It felt like a West End show, what a wonderful production. The dancers were a real credit to you. I hope you all have a very restful summer.

We are blessed, not only with a talented teaching team, but with keen and, may we just say, polite and helpful, students. It was a real pleasure to be amongst them. Such a project would not be possible without the support of you, the parents and grandparents, so thank you, not only for all the additional transportation, but for your enthusiasm and sheer good-naturedness throughout the process. There are, of course, endless other people to thank and we hope we have reached out to everyone who gave their time and energy before and during the week.
