

Weston Newsletter

NOVEMBER 2023

Just where the time has gone since our newsletter we really don't know but we hope this finds you well and coping with all the Christmas paraphernalia that is upon us. School plays and Christmas Fayres are in full swing, and then there's shopping, decorations, present wrapping – the list is endless. We hope you enjoy the build up to the big day, and that it is a good one, when it comes.

YOU ARE INVITED

As you know, this is the final week of term and so you are warmly invited to come along and watch your children's classes. We hope you will be pleased with their progress as everyone has worked very hard this term, students and teachers alike, getting back to grips with technique and syllabus, following the school show. Please be so kind as to note that, in order to protect everyone's privacy, you may not take photos or film the classes – we hope you understand.

CHRISTMAS EXAMS

We are delighted to be holding an exam session for Modern, Tap, Jazz and Ballet at the end of term. We wish all the candidates the very best of luck – just go in and do your best . . . and remember to SMILE! Receipt of exam results will be announced on Facebook and published on our website so please keep an eye on both.

THANK YOU, MISS LUCY

We are very sorry that Miss Lucy will not be returning to us in the spring term. As her students will know, she had an operation on her foot which kept her from teaching this autumn term. Although she is recovering well she feels the journey from Kings Lynn to Dunmow is a stretch too far and has decided to find something nearer to home. She has asked us to send her best wishes – she really enjoyed her year with us, especially contributing to the show. We wish her every success for the future.

Miss Marie and Miss Katie have kindly been filling in for this term and we are pleased that Miss Katie will continue to teach at our Dunmow branch.

SPRING TERM

Our spring term classes commence on Saturday 6th January 2024, with the office being manned a couple of days before then. Should you need to contact us before then, please send an email to office@theweston.dance and we will try to send you an answer before the start of term. Please remember to include your account reference and, if you need us to give you a call, an appropriate telephone number.

It just leaves for us to wish you a very Merry Christmas, and to send our best wishes for a Happy New Year. We look forward to seeing you all in 2024.
